Tournament Schedule

Registration of Teams 7:00 am – 11:00 am

Coaches should find the table in the MPR with envelopes and get their envelope – find important spontaneous competition entrance slip, teacher recertification forms, program and certificates of participation.

Weigh-in Balsa Teams 7:00 am – 12:00 pm

Coaches and teams may begin weigh-in at 7:00 am in the weight room. Please allow plenty of time to make any corrections to your structure.

Tournament Performances 8:00 am – 4:00 pm

Odyssey of the Mind International rules require that no one may enter a performance area during a team's performance. Team supporters should enter between performances. The CDO ROTC will be managing these entrances and will not allow anyone to enter after a team begins their performance. **Any team supporters that are rude to the ROTC will receive a penalty for that team.**

Quiet Zones

The spontaneous competition site is a whispers site due to the need for judges to hear the teams as they are competing in this important aspect of the completion.

Campus Clean-up 3:00 pm – 4:00 pm

All teams will bring garbage bags and find areas around their competition sites and on the campus and in the MPR and pick up any and all trash. All props, sets, and costumes as well as cooler chests and tents should be back in vehicles at this time.

Awards Ceremony – Big gym - 4:30 pm – 6 pm

World Finals Coaches Meeting

All coaches of World Finals teams need to attend a short meeting in the MPR immediately following the Awards Ceremony.

Problem 1: Triathlon Travels – Big Gym

On your mark get set go! In this problem, teams will ride on and drive original vehicles in an Odyssey-style triathlon. They will try to score in curling, hit the right targets when jousting, and run track by navigating a course in two directions. Between these events, the team will entertain the audience and the vehicle will change appearance. All of the action will take place in a team-created performance that features the vehicles triathlon travels, a commentator, and a coach.

Teams will create a performance where the emojis demonstrate special functions like growing, turning into a team member, and changing into a different emoji. Performances will also include a choreographed dance, a technical representation of texting, and sounds to enhance the performance. The twist? No spoken language is allowed.

Problem 3: Classics... Mockumentary! Seriously?

Div 1. – Little Theater

There are often two sides to the same story. In this problem, characters don't always agree as they recount the classic story where they appeared. The team will select a classic from a list and present different characters in a humorous documentary-style performance where details are added, denied, exaggerated, and disputed. There will be interviews, behind-the-scenes clips and voice-overs that take the audience through the story and help present the events as they really took place. Whose side will you be on?

Problem 4: Animal House – North Gym

Over the years, Odyssey of the Mind teams have designed structures that

changed into many unbelievable shapes and sizes that balanced and held as much weight as possible. This year, teams will turn their balsa wood structures into animals! Since animals need to eat, they must be fed. The structure will have its appearance transformed and explained during an original performance. During the performance, the structure must hold the team-created food while it supports weights.

Div. 1 – Chorus Room

In the outreaches of the universe, there is an Intergalactic Hangout where all sorts of creatures from different worlds stop, eat, refuel, and relax. Teams will create a humorous performance centered on this science fiction hangout that includes original creatures, foods, and a search for space treasure.
